

EQ TOASTMASTERS CLUB

Meeting the 1st and 3rd Wednesday from 7-8pm

Mission Statement:

EQ Leadership is a specialty Toastmasters club that focuses on emotional intelligence (EQ), health and wellness, and personal/professional development. Sponsored by the Center for Creative Learning, this new and innovative club is open to all who want to improve their speaking and leadership skills in a safe, positive, and supportive environment. The Center is the home of Healing Warrior Hearts, a free retreat for military veterans, so veterans are especially welcome as they will find an understanding and supportive community in which to develop skills.

The mission of the club is to increase self/social awareness and self/relationship management. Whether you are a veteran dealing with service-related trauma, a working professional looking to build social competencies, a student wanting to improve interpersonal skills, or you simply have an interest in developing your emotional intelligence, this club is for you.

Meetings are fun, informative, and casual, and guests are welcomed and encouraged!
